The Australian Exclusive Economic Zone (EEZ) was reproduced/supplied from the Australian Maritime Boundaries Information System (AMBIS), courtesy of Geoscience Australia. Internet: http://www.ga.gov.au and http://www.ga.gov.au/oceans/mc_LawSea.jsp. Australia has not entered into any delimitation arrangements with other countries in relation to maritime areas adjacent to the Australian Antarctic Territory (AAT). For the purposes of this map the maritime boundaries adjacent to the AAT have been drawn back to the point of equidistance even though Australia has valid claims beyond that point. The use of equidistant lines is without prejudice to future delimitation arrangements.
